

## List of speakers for the Male Psychology Conference 2018

JZ Young Lecture Theatre, University College London, 10am – 5pm, Fri 22<sup>nd</sup> and Sat 23<sup>rd</sup> June.

This year the conference has two themes:

**Forensic Friday** will focus on how boys can go off the rails, and what can be done to recover them, even as adults in prison.

**Smiley Saturday** will explore some of the positive aspects of men and masculinity, and positive developments for men in therapy and suicide prevention.

**Early bird alert:** register before 28th Feb and save ~40% on your ticket price
